ADDITIONAL INFORMATION

- New advanced car outline, completely opened cover, distinguished and beautiful.
- Full AC electric system has brake-releasing function, more easy and comfortable to operate;
- Maintenance-free motor completely solves the problem of DC motor carbon brush.
- New large-screen display instrument provides all kinds of information more clearly and directly for the operator.
- New opened high-range steering design, light to steering and easy to maintain.
- The parking brake adopts electromagnetic brake. It locks the truck automatically after parking, which avoids the sliding danger of the truck caused by forgetting to use the hand brake.
- Side-way battery (Optional).

BETTER, SMARTER, MORE FOCUSED, EASY AS.
